# Herefordshire SOCIETY

Fashion, Food, People, Places and Good Living

Herefordshire Society is a targeted, quality magazine aimed at people who have the money and time to enjoy the very best that Herefordshire and the surrounding areas have to offer. Each issue contains a mixture of articles and photographs about people and places in this, the most beautiful County in England.

The magazine includes articles exploring the homes and gardens of leading families, features the lives of local people and covers social events around the county.

This glossy A4 publication is distributed to discerning individuals within a defined geographical area. It is delivered directly to approximately 6,500 AB1 homes with the remaining copies placed in carefully selected health and leisure venues across the county, where its extended shelf life offers plenty of opportunity for readers and prospective customers to view the high calibre advertisements placed within.

In addition to this, Hereford Society also appears on the world wide web where it will remain for up to twelve months. [societymagazine.co.uk](http://societymagazine.co.uk)
